Digital Automatic Blood Pressure Monitor

SK-015B

Intelligent Automatic Measurement

WHO Classification Indicator

2 x 99 Memories Storage

Measure Range : Pressure: (0 - 299) mm Hg
Pulse: (40 - 180) beats/min

Accuracy : Static Pressure: ± 3 mm Hg; Pulse: $\pm 5\%$

Large Screen

Heart Rate Detection

USB Port

Low Battery Indicator

Digital Automatic Blood Pressure Monitor

SK-015C

Intelligent Automatic Measurement

WHO Classification Indicator

Irregular Heartbeat Detection

Measure Range : Pressure: (0 - 299) mm Hg
Pulse: (40 - 180) beats/min

Accuracy : Static Pressure: ± 3 mm Hg; Pulse: $\pm 5\%$

2X99 Memories

Heart Rate Detection

Auto Power Off

Low Battery Indicator

Digital Automatic Blood Pressure Monitor

SK-015D

Intelligent Automatic Measurement

WHO Classification Indicator

2 x 99 Memories Storage

Measure Range : Pressure: (0 - 299) mm Hg
Pulse: (40 - 200) beats/min

Accuracy : Static Pressure: ± 3 mm Hg; Pulse: $\pm 5\%$

Auto Power Off

Heart Rate Detection

USB Port

Low Battery Indicator

Compressor Nebulizer

SK-024

Operating pressure Range : 8 to 16 Psi(50 to 100Kpa/
0.5 to 1.0 bar)

Average Nebulization Rate : 0.2ml/min~0.6ml/min

Powerful Performance

High Nebulization Rate

Low noise

Adult, Child Mask & Mouth Piece

Digital Thermometer

SK-033A

Measure Range : 89.6°F ~ 109.2°F (32.0°C ~ 42.9°C)

Accuracy : $\pm 0.1^{\circ}\text{C}$ at 35.5°C ~ 42°C
 $\pm 0.2^{\circ}\text{F}$ at 95.9°F ~ 107.6°F

Auto Power Off

Low Battery

Function

Digital Thermometer

SK-033

Measure Range : 89.6°F ~ 109.2°F (32.0°C ~ 42.9°C)

Accuracy : $\pm 0.1^{\circ}\text{C}$ at 35.5°C ~ 42°C
 $\pm 0.2^{\circ}\text{F}$ at 95.9°F ~ 107.6°F

Fever Alarm

Low Battery
Indicator

Mercury Free

Memory
Function

Non Contact Forehead Infrared Thermometer

SK-078

Measure Range (Body) : 32.0°C~43.0°C / 89.6°F~109.4°F

Measure Range (Surface) : 0°C~100°C (32°F~212°F)

Accuracy : 35.0°C~42.0°C / 95.0°F~107.6°F
(±0.2°C / 0.4°F)

High Accuracy

LCD Backlight Display

High Temp Alarm

Auto Power Off

Fingertip Pulse Oximeter

SK-006

Measure range : SpO2 : 35% to 100%
Pulse rate: 25 bpm to 250 bpm

Accuracy : SpO2 : ±2% (70% to 100%)
Pulse rate: ±2 bpm

One Click Operation

4 Display Direction

Silicon Finger Pad

Dual TFT Display

THERAPEUTIC Walker[®] Massager

Quick relief from pain & aches at the touch of a button

It improves blood circulation and energy level; reduces swelling in legs, ankles and feet to give relief in diabetic foot, numbness, cold feet, back/calf/muscle pain, etc. It's infrared with magnetic therapy detoxifies blood and improves immunity level.

Benefits of Walker Massager

❖ Activate body cells and improves energy level ❖ Improves blood circulation ❖ Alleviates aching legs, tiring feet ❖ Reduces swelling in ankles and feet ❖ Improves and strengthens organ function ❖ Improves immune system, detoxification

Four-in-one Function

MORNING WALKER®

Life mein naya josh laye!

MR-960

**Walk 10,000 steps in 15 minutes
at the comfort of your home**

Benefits of Morning Walker

❖ Better circulation, active body ❖ Better pain management, flexible joints ❖ Better exercise, faster calorie burn ❖ Better stress management, positive mind

Trusted & Used by over 2,00,000 families

**Morning Walker - World's 1st with Smart Control
operates in just 3 easy steps**
